

Entry to Campus and Parking Information

In an effort to improve traffic flow around the campus, we ask that students and parents access the Charles Street entrances by taking a left from Plano Parkway onto Charles Street. This will allow both parents and students to make a right turn into parking areas and greatly reduce the traffic congestion on Charles Street at the beginning and end of the school day.

(1) Plano Parkway – Front Visitor and Parent Entrance/ Exit

Parents and visitors will continue to have access to the front visitor parking lot. Cars leaving the lot in the afternoon will be required to make a right turn onto Plano Parkway.

(2) Plano Parkway – Bus Only Entrance/ Exit

The Plano Parkway entrance will be used exclusively as a bus entrance and exit during the regular school day. Students, parents and teachers will not be allowed to access student parking via the Plano Parking entrance during normal school hours (8:00 a.m. to 4:45 p.m.)

(3) Charles Street – Parent and Staff Entrance/ Exit

Parents will continue to have access to the entrance on Charles Street to drop off students in the morning and the afternoon.

(4) Charles Street – Student Entrance/ Exit

All students must enter and exit the parking lot via the new entrance on Charles Street. Students will be allowed to park on the new lot on Charles Street. In addition, students will be able to continue to utilize student parking available behind the tennis courts and near the field house by driving through the new student parking lot and out the west end.

After Hours Event Parking

Students, parents and staff attending events in the cafeteria, auditorium or gyms after hours or on weekends will access parking from one of the Charles Street entrances and enter through the cafeteria. Those attending events at the stadium or one of the playing fields will access parking from the student Charles Street entrance. The Plano Parkway entrance may be used any time after school hours.
