June 22, 2009 – July 10, 2009

Monday – Thursday

Students will meet in room number 1470 on the first day. It is very important that the students commit to attending the offered tutorials. The sessions will provide an opportunity to prepare for taking the July test.

Summer school will be going at Hebron from 8:00-12:00. The TAKS students will enter in the front of the school. Students need to be ready to begin class promptly at 12:30.

Transportation will need to be provided by the parents. We will be looking forward to providing educational services for your child.
