

# LISD Yearbook Policy

---

The school yearbook is a student publication for each individual school. While it is the goal of the yearbook to provide a record of students and activities for each particular school year, we cannot guarantee inclusion of every student's portrait. Lewisville Independent School District and each individual school are dependent upon outside vendors to take student portraits and to deliver them in a timely fashion for inclusion in the student yearbook.

In addition, this publication is provided "as is" without warranty of any kind, express or implied, including but not limited to warranties of performance or merchantability or fitness for a particular purpose and warranties as to the accuracy or completeness of the publication's content.

Neither the publisher, the copyright holder, the school district, the individual school, nor any individual or other party involved in the creation, publication, or delivery of this publication shall be liable for any damages that result from the creation or sale of this publication.

In the event that any error and/or omission occurs in any yearbook after it is published, the student's and/or parent's or guardian's sole remedy shall be a refund of the purchase price paid.

The student agrees that all claims for a refund must be requested within two (2) weeks of the receipt of the yearbook. Failure to timely request a refund under the terms of this Disclaimer will result in a final waiver of any such refund.
